Soft Furnishings

SERVICE

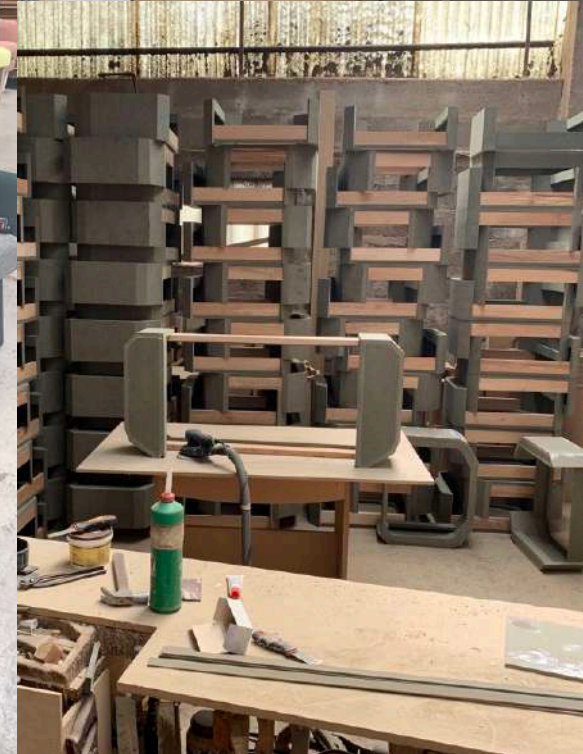

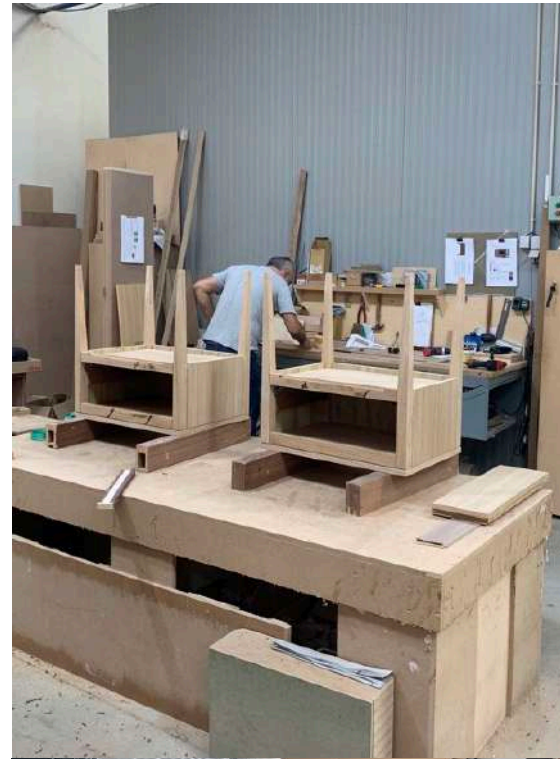

Transform your interior into a haven of comfort and style with our bespoke soft furnishing solutions. Specialising in high-quality curtains and cushions tailored for the care industry, we combine functionality with warmth to create inviting and homely spaces.

Our durable, easy-to-clean fabrics are inherently flame retardant, washable at high temperatures and designed to meet the unique needs of care environments while enhancing the overall aesthetic. Whether you need blackout curtains for restful nights or cosy cushions for added support and charm, our team delivers exceptional results that make residents feel right at home. Let us help you craft spaces where comfort meets care.

Bespoke Furniture SERVICE

Do you have a bespoke design in mind that you'd like us to look at?

At Space we not only provide high quality, ready-made furniture but we also offer a completely bespoke design and build service. Perhaps you have an unusual size or shape room and you need us to make the furniture fit! Or perhaps you have a grand design in mind that you need us to turn into a reality. Whatever your requirement our master craftsmen can make it happen with our wide range of materials, colourways and finishes.

VISUALISATION

Create care spaces that inspire comfort, functionality, and well-being with our specialized interior design service. Tailored to the care industry, we offer comprehensive support from concept to completion, including detailed 2D and 3D CAD designs, precise product specification, and seamless design and build solutions.

Whether you're refreshing existing interiors or planning a complete transformation, our team works closely with you to craft beautiful, practical spaces that meet the unique needs of residents and staff. Trust us to bring your vision to life with thoughtful design, expert execution, and a commitment to quality.
