

Creating Spaces, Crafting Comfort

EDUCATION FURNITURE

OVERVIEW

Space Contract Furniture are the UK's leading commercial furniture specialists, providing quality furniture products for a wide range of Universities, Schools and Colleges, as well as other sectors.

Working with a vast array of UK and European Furniture manufacturers, along with our own inhouse manufacturing capability, we offer an extensive range of design led chairs, tables, sofas, fixed and modular seating. Alongside off the shelf products, Space Contract Furniture also design bespoke ranges of furniture utilising our UK manufacturing capability.

With thousands of products, fabrics and finishes available, combined with an experienced team, you will find our extensive knowledge and services both professional and efficient, offering a complete commercial furniture solution.

OUR SERVICES

There isn't much our team can't do, from procurement and design to full project management. Our one-stop shop approach leaves our customers to concentrate on their day jobs, safe in the knowledge they have a team considering every aspect of the project:

- Procurement from UK & Worldwide Suppliers
- Bespoke Manufacture
- Space Planning
- Visualisations
- Project Management
- Installation
