FF&E – Consultancy Procurement and Supply

Product Procurement

Trusted FF&E Sourcing Across the World

At Space Contract Furniture, we source directly from leading factories across the UK and EU, giving our clients access to the finest furniture, fittings and equipment. Our long-standing partnerships allow us to secure products that balance exceptional quality, competitive value and reliable delivery.

Every item we procure is carefully vetted to meet the highest standards of craftsmanship, durability and design integrity. By managing the procurement process end to end, we simplify the supply chain, reduce risk and ensure that every product aligns seamlessly with your project vision and timeline.

Bespoke Product Design & Production

Crafted for Uniqueness and Value

Value Engineering

We provide intelligent alternatives in materials, fabrics and finishes to meet budget requirements without compromising style, atmosphere or guest experience.

Prototyping & Innovation

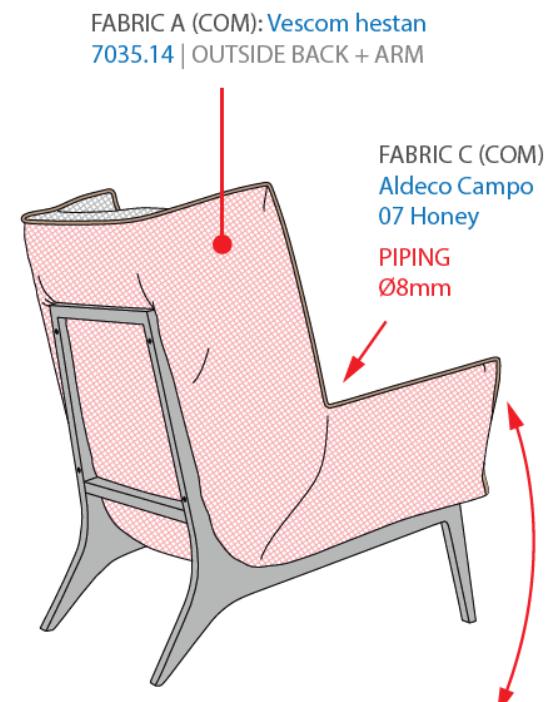

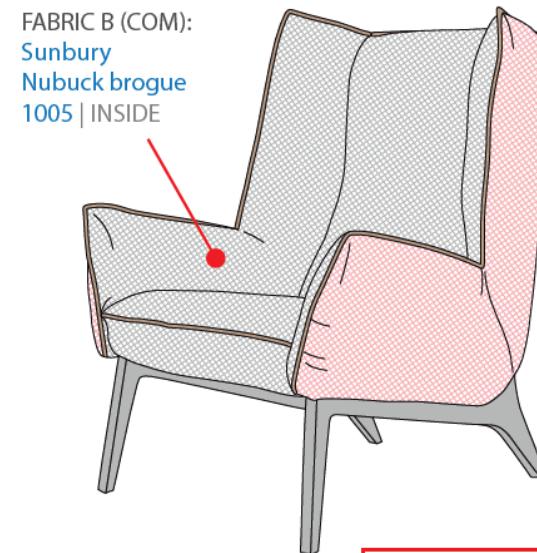

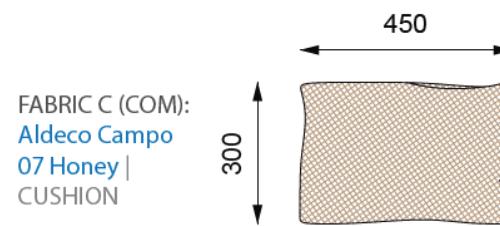

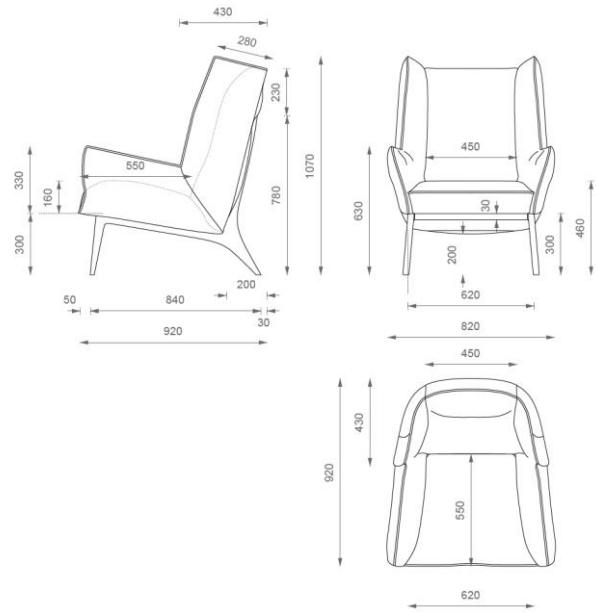

From concept through to production, we design and prototype bespoke pieces that transform spaces into distinctive, one-of-a-kind environments.

Industry Authority

With decades of experience, our team is recognised as a trusted authority in manufacturing processes, finishes, factories and artisan craftsmanship.

Quality & Responsibility

Our commitment extends beyond aesthetics and durability. We ensure every product meets high standards of ethics, sustainability and responsible sourcing.

The Complete FF&E Turnkey Solution

From Concept to Guest-Ready Interiors

Global Logistics

We manage importing, customs duties, insurance and multi-shipment coordination, ensuring controlled, trackable delivery worldwide.

Delivery & Installation

Our white-glove approach ensures seamless collaboration with contractors, site teams and trades, delivering interiors on programme and to specification.

Handover & Snagging

We work meticulously to eliminate product issues, resolving any that arise swiftly and completing handover only when you are fully satisfied.

Ongoing Support

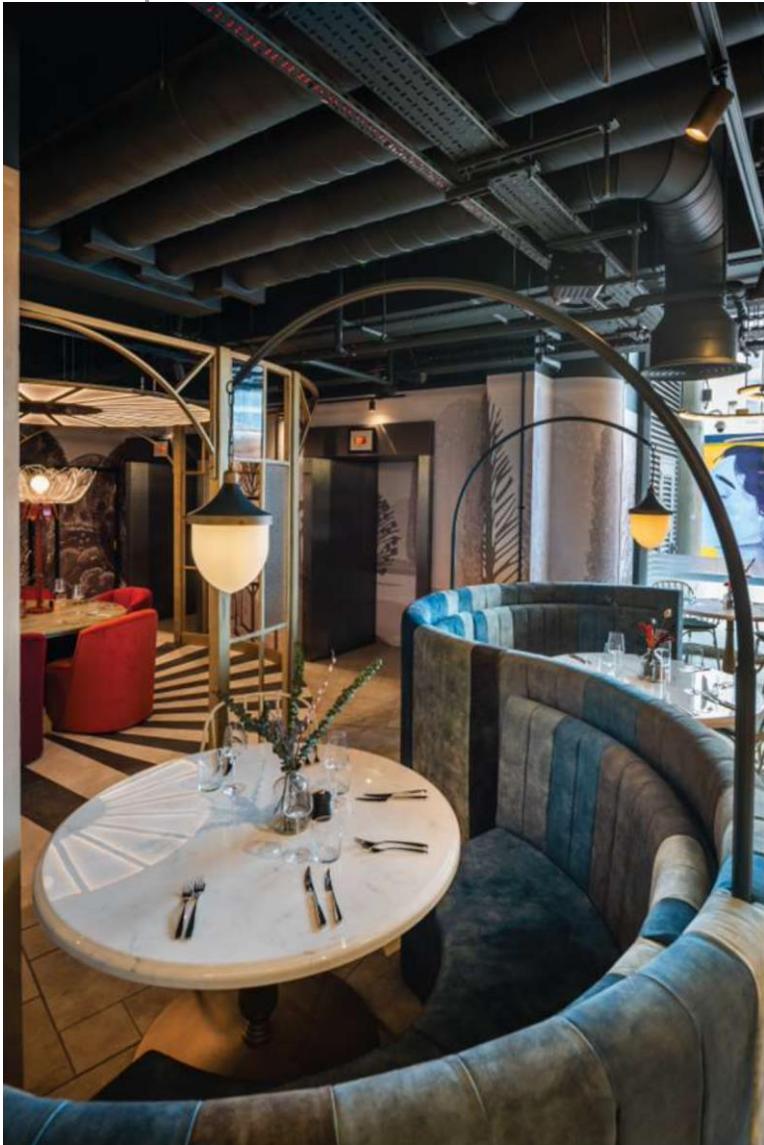

Post-completion, we provide consolidated warranties, operation manuals and aftercare guidance, ensuring long-term performance and peace of mind.
